PRIVATE TECHNICAL HIGHER EDUCATION ESTABLISHMENT REG. ORGANIZED BY THE STATE

ABOUT ISC PARIS

A wide range of programs and locations

A comprehensive, high-level curriculum:

- **Undergraduate programs:** Bachelor and BBA
- **Postgraduate programs:** Master in Management (accredited as a Master's degree), MSc (Master of Science) approved by the CGE (Conférence des Grandes Écoles), and DBA.

An international school with dual urban campuses

- One school with two urban campuses in **Paris** and **Orléans**: the heart of a dynamic ecosystem since 1963.
- A solidly international school in which all programs can be studied completely in English, and include international educational experiences at one of our **130 partner universities**.

Prestigious quadruple accreditation

1/3 of students on our campuses come from abroad France. The first independant school accredited by AACSB (2017) and quadruple-accredited by **AACSB, AMBA, BGA** and **EFMD Master** accredited (2020).

 **130** partner universities
in 43 countries

 **54** different nationalities
on campus

 **300** international students
at ISC Paris

Our dedicated **international office** supports you throughout the application process, helps you finance your studies abroad and prepare your stay.

ISC Paris international policy is developed in order to enhance exchanges and **allows students to experience different ways of learning, doing, living.**
